Impro.AI Inc.

To whom it may concern:

This letter will confirm that Kost Forer Gabbay & Kasierer ("KFGK"), a member of Ernst & Young Global Limited, has performed a Service Organization Control (SOC) 2 project for Impro.AI Inc. (the "Company") on its Impro.AI Platform in accordance with the SOC 2 covering the Security and Confidentiality criteria set forth in DC Section 200 2018 Description Criteria for a Description of a Service Organization's System in a SOC 2 Report (Description Criteria) of the Guide Reporting on Controls at a Service Organization Relevant to Security, Availability, Processing Integrity, Confidentiality or Privacy, and in TSP Section 100, *2017 Trust Services Criteria and Criteria for Security, Availability, Processing Integrity, Confidentiality, and Privacy in AICPA Trust Services Criteria*.

The report covers the period September 1, 2025 to November 30, 2025.

KFGK has authorized the Company to deliver copies of this letter in response to individual inquiries about the identity of its auditor. This letter may not be reproduced by any recipient here of or included in any offering or other public documents of the Company or otherwise, nor may the Company distribute it generally to potential, or existing, investors in the Company or any of its affiliates, or other parties interested in the Company. KFGK does not assume any duty or obligation to any recipient hereof, other than the Company, nor will KFGK respond directly to any inquiries from potential or existing investors or other interested parties about its services for the Company or its affiliates.

Nothing contained herein constitutes an opinion with respect to the Company's SOC 2 examinations for the Impro.AI Platform.

Yours sincerely,
